ARMANI LUMINOUS SILK FOUNDATION

For brides, this is exactly what you want: a foundation that enhances your skin, lasts beautifully, and makes you feel like the best version of yourself. I find that shades 2, 4, 5.25 and 6 suit so many people

CHANEL CREAM BRONZER

It's an investment,, But I love this one for super natural results!

NYX LIP PENCILS

In shades Natural and Truffle

MAYBELLINE BUILD A BROW

I only use the felt tip side and I'm impressed with its longevity

MAYBELLINE SUPERSTAY VYNIL INK

Genius product!! long-lasting lipstick without the icky finish. favorites shades are Lippy, Peachy and cheeky

MILANI BAKED BLUSH

The shade Luminiso is just gorgeous for brides!! it has a luminous finish and I usually use it as a topper over a cream blusher
